## IFSI NEWSLETTER February 2020

Dear IFSI Members,  
We hope you had a good start into the New Year!  
This is the new and first IFSI newsletter 2020!

### IFSI society

#### **Protocol General Assembly**

The protocol of the IFSI member general assembly in Sydney, AUS, on November 18<sup>th</sup> 2019 was written by our former secretary Toshiya Ebata, Japan, and once again, we thank him very much for the great job he did. If you feel that anything is missing or needs to be revised please contact [IFSIassistant@gmx.de](mailto:IFSIassistant@gmx.de) until March 31<sup>st</sup> 2020.

An IFSI board meeting will take place in Denver on March 19<sup>th</sup> 2020 and we will inform you about it in our next IFSI newsletter.

### Activities

#### **Global Education Day 2020**

We kindly remind you to attend the IFSI Global Education Day in Denver, CO, on March 19<sup>th</sup> 2020 and we would be very much pleased to welcome all of you there. Attached you find the most recent program.

Please come and especially participate in the interactive podium discussion. We have to bear in mind that the number of attendees affects the likelihood of being accepted again as an international society of the AAD's Global Education Day.

With best wishes!
